WHAT WE DO

Seafood trading

Purchasing, sorting, grading and preparation of fishery products to your specifications.

Freezing

Fast freezing (IQF, blocks) and storage in sub-zero cold rooms.

Export & logistics

Packaging, export documents and shipping in refrigerated containers.

QUALITY & COMPLIANCE

- ONSSA health approval no. PP.25.1571.24
- HACCP system
- Approved for export to the European Union

OUR MARKETS

- European Union
- Africa
- Asia

CEPHALOPODS

Frozen octopus

The flagship product of the Moroccan coast, Atlantic octopus is sought after for its fine, firm flesh. Each batch is sorted and graded on arrival, then quickly frozen to preserve its texture all the way to your warehouse.
